Learning Links can provide the following.

- Unique learning programs delivered by highly skilled and experienced teachers, psychologists, family counsellors, speech pathologists and occupational therapists.
- A comprehensive written assessment of the learning strengths and weaknesses of a child.
- Assistance in understanding a child's difficulties and preferred learning style.
- Psychometric assessments to determine the learning potential of a child. This assessment can assist in accessing educational support.
- Referrals to Learning Links' classes or other professionals and services where appropriate.
- Access to the Ronald McDonald House Charities' Learning Program for children who have missed significant amounts of school due to serious physical illness.

Anyone can become a member of Learning Links and support children who have difficulty learning. Membership gives you access to our specialist services and supports the future of our children. Parents of children accessing Learning Links' services pay our special Parent Member Fee (\$20 per year incl GST). Other membership rates are available on request. Corporate sponsors and donations are also welcome. Learning Links is a registered charity and all donations are tax deductible and receipted.
