

Manager, Learning Links Family Services South West Sydney (re-advertised)

We have an exciting opportunity for a motivated and experienced social worker or psychologist with strong leadership skills to manage our case management, behaviour support and diagnosis support teams which provide services to families with children aged 0-18 with disabilities.

Learning Links is a community-based organisation assisting children with disabilities and learning difficulties and their families. We provide innovative and family centred programs across the Sydney Metropolitan Area.

Essential criteria:

- Qualifications in social work or psychology.
- Experience supporting families with complex needs.
- Experience in providing clinical supervision to staff.
- Experience in managing a program including the management of staff, budgeting, strategic planning, and client needs assessments and eligibility for programs.
- Experience in developing programs that are responsive to client needs and service gaps.
- Highly developed communication skills.
- Ability to meet accountability and reporting requirements of funding bodies.
- Knowledge and understanding of the applications of legislation in Disability, Child Protection, Privacy and OH&S fields.
- Ability to use Microsoft word and database programs.
- Current NSW drivers licence and access to a car.

Negotiable above award salary with generous salary packaging and fringe benefits.

The position is currently based at Miller and will move to new premises at Mt Pritchard later this year.
