

## Occupational Therapists

*Make a difference to the lives of children & embark on a rewarding career opportunity with Learning Links - a family-centred organisation and high quality service provider.*

- **Permanent Part Time or Casual position available - innovative community based organisation**
  - **Enthusiastic multidisciplinary team**
  - **Varied caseload - friendly, supportive environment**

Learning Links' School Age Services provides a range of specialist programs for children with learning difficulties and learning disabilities.

We are currently seeking an enthusiastic, skilled and motivated professional to work at our Brookvale location. In this exciting and challenging role you will be able to deliver individual therapy support to children and work with other professionals to deliver group programs. Learning Links is an Early Intervention Panel member providing support to eligible children diagnosed with ASD under FaHCSIA's *Helping Children with Autism* scheme.

The successful applicant will be responsible for providing individual therapy and administering assessments to children 3-18 years of age. This is a position where you can utilise all of your skills and be creative in designing new programs, parent resources, and assist in increasing the profile of Occupational Therapy in the Brookvale area.

As a registered charity Learning Links offers generous salary packaging and the opportunity to access the organisation's Professional Development Calendar. Joining Learning Links gives you the opportunity to take advantage of these benefits and enrich the lives of children and families. This is an exciting opportunity to work with a specialist organisation to make a difference to children's lives.

### **Essential Criteria:**

- Current membership with OT Australia.
- Experience in working with school age children.
- Experience in working with children with a range of abilities and individual support needs.
- Ability to work within a multidisciplinary team.
- Excellent interpersonal, written and oral communication skills.
- Excellent computer skills.
- Commitment to family centred practice.

**Desirable Criteria:**

- Experience in working with children with ASD and PDD.

Written applications should address the essential and desirable selection criteria and include a CV with two professional referees. Applications are to be emailed to Samantha Hornery at [shornery@learninglinks.org.au](mailto:shornery@learninglinks.org.au) by 11 January 2010. Working with Children Check applies.
