

FREE SPEECH SCREENER

SPECIAL OFFER

For preschool children aged 4 to 6 years

Do you have a child who finds it hard to pronounce words and express their ideas?

Learning Links can help. We are offering FREE speech and language screeners at our Learning Links Bella Vista Centre for children aged between 4 to 6 years.*

This 30 minute screener assesses your child's comprehension, grammar, narrative (story telling), phonological awareness and speech (including stuttering and voice quality). The screener will determine if your child requires additional help.

Did you know
You may be eligible to claim 5 speech sessions through the Medicare rebate per year.
