

LEARNING LINKS CHARITY HOUSIE UPDATE

In response to recent government announcements regarding social distancing measures and the closure of essential services, Learning Links Charity Housie sessions will no longer be running in clubs in NSW for the foreseeable future. Learning Links is deeply saddened by this development, however we understand and support the government's decision to join together as a community and slow the spread of Coronavirus (COVID-19).

We thank you all for your continued support of our Housie sessions and of Learning Links. We love the joy and excitement that our Housie sessions have given so many of our regular players. For us, they've provided an opportunity to offer life-changing support for the 15% of Australian children who struggle to learn. Not being able to run our Charity Housie sessions is truly devastating for our organisation and we will do our utmost to continue to support families in need.

Please stay tuned to our Facebook page as we provide updates over the coming weeks –

@llinkscharityhousie

We hope to see you back in the clubs and in our sessions in the not too distant future.

Stay safe and well!

The Learning Links Charity Housie team
