Double Dash!

Answer the questions correctly to deliver the meal to the house.

What you need:

- This gameboard
- A dice
- A counter for each player

How to play:

- Players take turns to roll the dice and move that many places around the board.
- Upon landing on a square, players answer one of two styles of questions, "Double a number" e.g. "What is double 3?" or "Total is double what number?" e.g. "8 is double __?".
- If correct, the player can move forward one space.
- If incorrect, the player will leave their counter where it is.
- The winner is the first player to reach the end of the board.
