# The Great Add-Venture

Answer the questions correctly to reach the summit!

## What you need:

- This gameboard
- Numeral cards
- A dice
- A counter for each player

## How to play:

1. Players take turns to roll the dice and move that many places around the board.
2. Upon landing on a space, players pick up a card and then answer the question on the board.
3. If correct, the player can move forward one space.
4. If incorrect, the player will leave their counter where it is.
5. The winner is the first player to reach the end of the board.
